RADICAL LIBERALS WANT TO INFILTRATE OUR SCHOOLS...

But LINDSAY HOIPKEMIER will fight for parents and children.

EDUCATION NOT INDOCTRINATION

Lindsay believes our students need to excel at reading, writing and math. She will stop all efforts from the far left to indoctrinate our kids with destructive ideologies like critical race theory and ensure that they are receiving a great education, not indoctrination.

AN OPEN DOOR

If elected, Lindsay will listen to the concerns of parents, students, teachers and administrators. Lindsay will be a source of peace and unity in our community while remaining committed to upholding our conservative values.

CONSERVATIVE VALUES

We need leaders who will stand up and protect our foundations. Lindsay will oppose boys playing in girls' sports and boys using girls' bathrooms. We can count on Lindsay to be a strong conservative voice for us.
